# DN-MC6000

Full Mixer / 4-deck MIDI Controller

MIDI

ASIO

USB

The Denon DN-MC6000 ushers in a new product category as an integrated, full blown mixer, and 'dual deck' MIDI Controller. This flagship Mixer / MIDI Controller combines a 4-channel / 8-source standalone digital mixer – featuring real time channel matrix operation – USB MIDI control and 2 x stereo in - 2 x stereo out USB audio interface. A slim tabletop design with solid steel chassis, paired with the DJ software of choice, the DN-MC6000 is a complete turnkey control solution.

The DN-MC6000 is bundled with Native Instruments® TRAKTOR™ LE and interfaces seamlessly with Mac® OSX and Windows XP, Vista and Windows 7 operating systems. Using the 'dual layer' function, each side of the DN-MC6000 can control two decks (for a total of four) in TRAKTOR™ Pro, with visual deck colour change.

Inputs include two phono lines, one XLR Mic/quarter-inch and one quarter-inch mic jack, and two phono AUX inputs. Outputs include balanced master XLR, unbalanced master phono, quarter-inch booth/send out, phono record out, and stereo headphone out. Also featured is a USB Audio in/out selectable routing switch. The DN-MC6000 can be rackmounted and is supplied with 19" rackmount kit.
